Dear Sir:-

Your favor of October 17th at hand and we are very glad to note that our Numismatic Notes and Monographs are proving of interest. We are sending, under separate cover, those we have issued since the last lot sent you. These we will be very glad to present to the University Library, but we can not guarantee to keep sending future numbers.

The American Journal of Numismatics has been practically discontinued since these monographs came out. We have but five complete sets of the Journal, and we are asking \$130.00 for a set. We, however, would be glad to let you have a full set consisting of 53 volumes for \$100.00. The set, is, of course, unbound.

We have two partly unbound sets for which we would ask you \$110.00 each. One has Volumes 1 to 15 bound in three-quarters green morocco, one year to each volume, or 15 volumes. The other is in three-quarters red morocco, Volumes 1 to 15 bound in 4 volumes as follows: 1-4; 5-8; 9-12; 13-15. Both these sets would have to be completed with unbound volumes.

If you do not care to purchase a complete set of the Journal, we can supply back numbers with the exception of volumes 5, 6, 7 and 9, at the following rate: Vol. 1 to 47 @ \$2.00 per volume and the remainder @ \$5.00 per volume, less 20% discount.

We would be very glad to hear further from you.

Very truly yours,

Curator.

Dear Sir:-

Your letter of January 23rd at hand,  
and under separate cover we are sending you  
the two parts of Volume 53 of the Journal.  
We were under the impression that these had  
been sent to you.

Before the end of the year, we expect  
to publish a third part to Volume 53, so  
would advise you to delay having this volume  
bound. As far as I know now, this will be  
the last volume of the Journal to be publish-  
ed for some time to come. In the meantime,  
"Bibliographic Notes and Monographs" is being  
published in place of the Journal.

Very truly yours,

Acting Secretary.

I hope the delay has not inconvenience you, and regret that you have had to write for them.

Attention - Mr. C. F. Clay

Gentlemen:

I am in receipt of your letter of July 31st. Our reason for ordering the copy of the McGraw-Hill Collection Catalogue from your London office, was in order to save the import duty which we should be obliged to pay if we ordered it through Messrs. Macmillan & Co. They, however, will have no difficulty in dispatching of the copy which you are sending. In the meantime, kindly send another copy to the Library of the American Anthropometric Society, sending me your bill for same.

Very truly yours,

My dear Sir,

I have your letter of November 2nd referring  
to the American Journal of Numismatics. I am sorry  
your Society cannot present the Journal to the Library,

Will you therefore send these to the Library at the price  
quoted, together with the account, which will be settled
